Four Testaments: Tao Te Ching, Analects, Dhammapada, Bhagavad Gita: Sacred Scriptures of Taoism, Confucianism, Buddhism, and Hinduism

Four Testaments brings together four foundational texts from world religions—the *Tao Te Ching*, *Dhammapada*, *Analects of Confucius*, and *Bhagavad Gita*—inviting readers to experience them in full, to explore possible points of connection and divergence, and to better understand people who practice these traditions. Following Brian Arthur Brown's award-winning *Three Testaments: Torah, Gospel, Quran*, this volume of *Four Testaments* features essays by esteemed scholars to introduce readers to each tradition and text, as well as commentary on unexpected ways the ancient Zoroastrian tradition might connect Taoism, Buddhism, Confucianism, and Hinduism, as well as the Abrahamic faiths. *Four Testaments* aims to foster deeper religious understanding in our interconnected and contentious world.
