Messiah Complex Toby LeBlanc
In every culture around the world, there is some sort of legend about a supernatural hero that appears and saves the day. Have you ever wondered what it must have been like to be that savior of the world? Wouldn't it be nice if we could understand what their life must be like? Hear it from their point of view? Finally we can. Chris has become a messiah. But being a messiah was not something that came naturally to him. For as many hearts he was able to uplift, there were just as many that he crushed. For every person he enlightened, there was another left in the dark. Now Chris' last wish is to tell his story to you. Hopefully you won't make the same mistakes he did in trying to save the world.
