Rocket to the Top Patrick Rafter, Leo Schlink
A tour diary with a difference, *Rocket to the Top*...chronicles the ups and downs of Pat Rafter's quest to become not only No.1 in 1999, but also to win three US Opens back-to-back. It provides a rare opportunity to get to know the real Pat, his observations of other players on the ATP Tour such as Agassi, Sampras, Philippoussis and Hewitt, his relationships, his devotion to a string of charitable causes, and his media and sponsor commitments.

Patrick Rafter lives in Bermuda and **Leo Schlink** lives in Australia.

From reader reviews:

James Kostka:

Playing with family in a park, coming to see the sea world or hanging out with buddies is thing that usually you may have done when you have spare time, and then why you don't try factor that really opposite from that. One activity that make you not experience tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of information. Even you love Rocket to the Top, it is possible to enjoy both. It is fine combination right, you still desire to miss it? What kind of hang type is it? Oh can happen its mind hangout men. What? Still don't obtain it, oh come on its referred to as reading friends.

Peter Delaune:

Are you kind of occupied person, only have 10 or maybe 15 minute in your time to upgrading your mind ability or thinking skill actually analytical thinking? Then you are experiencing problem with the book when compared with can satisfy your short time to read it because all of this time you only find e-book that need more time to be read. Rocket to the Top can be your answer since it can be read by an individual who have those short time problems.

James Rohrbach:

Many people spending their moment by playing outside having friends, fun activity using family or just watching TV all day long. You can have new activity to invest your whole day by reading a book. Ugh, you think reading a book can really hard because you have to accept the book everywhere? It ok you can have the e-book, having everywhere you want in your Smart phone. Like Rocket to the Top which is obtaining the e-book version. So , why not try out this book? Let's see.

Tim Gonzalez:

As a college student exactly feel bored for you to reading. If their teacher requested them to go to the library as well as to make summary for some book, they are complained. Just tiny students that has reading's soul or real their hobby. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that studying is not important, boring in addition to can't see colorful pics on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this Rocket to the Top can make you sense more interested to read.
