Services Computing

Liang-Jie Zhang, Jia Zhang, Hong Cai

Services Computing Liang-Jie Zhang, Jia Zhang, Hong Cai

This book bridges the gap between Business and IT services and proposes an original life-cycle view of the modern service industry. Major solution architectures, technologies and research methods are discussed in the lifecycle of services innovation research. The book provides readers with new research and solution methods to enable IT services and computing technology to better create and manage business services, which is the goal of Services Computing.
