The Darkroom Handbook

Michael Langford

The Darkroom Handbook Michael Langford
The Darkroom Handbook is a complete illustrated manual of skills, equally useful to the beginner who has never processed film but wants to try and to the experienced amateur or professional who is already highly proficient in darkroom procedures. From the most basic techniques (setting up a darkroom, loading film in a developing tank, handling chemicals) to the most complicated (making dye transfer prints, solarization, pointillism effects), it explains everything, step by step, with an abundance of photographs, drawings, and charts that no other book can match. Written by one of the world's foremost photographic educators and produced by the editorial team responsible for such best-selling guides as The Photographer's Handbook and The Step-by-Step Guide to Photography, this book has been carefully organized to lead the novice readily into progressively more interesting and sophisticated procedures. For the first time in any darkroom book, a major emphasis has been placed on color -- not only basic processing and printing, but also advanced methods of handling color creatively.

Comprehensive, wonderfully clear, handsomely produced and printed, The Darkroom Handbook is an essential part of every photographer's library.

From reader reviews:

Barbara Stewart:

What do you about book? It is not important to you? Or just adding material if you want something to explain what your own problem? How about your spare time? Or are you busy man or woman? If you don't have spare time to try and do others business, it is gives you the sense of being bored faster. And you have spare time? What did you do? Everybody has many questions above. They should answer that question mainly because just their can do this. It said that about reserve. Book is familiar in each person. Yes, it is proper. Because start from on jardín de infancia until university need that The Darkroom Handbook to read.

Edward Capps:

Hey guys, do you wants to finds a new book to study? May be the book with the headline The Darkroom Handbook suitable to you? Often the book was written by well known writer in this era. Typically the book untitled The Darkroom Handbookis the main of several books this everyone read now. This particular book was inspired many people in the world. When you read this publication you will enter the new age that you ever know prior to. The author explained their thought in the simple way, thus all of people can easily to be aware of the core of this book. This book will give you a great deal of information about this world now. So that you can see the represented of the world in this particular book.

Daniel Gomez:

This The Darkroom Handbook is great reserve for you because the content that is full of information for you who always deal with world and have to make decision every minute. This book reveal it information accurately using great coordinate word or we can state no rambling sentences in it. So if you are read it hurriedly you can have whole data in it. Doesn't mean it only provides straight forward sentences but tough core information with wonderful delivering sentences. Having The Darkroom Handbook in your hand like getting the world in your arm, info in it is not ridiculous one. We can say that no guide that offer you world within ten or fifteen second right but this publication already do that. So , this can be good reading book. Hello Mr. and Mrs. occupied do you still doubt that will?

Barry Trusty:

On this era which is the greater man or woman or who has ability in doing something more are more special than other. Do you want to become certainly one of it? It is just simple approach to have that. What you have to do is just spending your time not much but quite enough to possess a look at some books. Among the books in the top listing in your reading list is usually The Darkroom Handbook. This book that is qualified as The Hungry Inclines can get you closer in growing to be precious person. By looking right up and review this book you can get many advantages.
