Using Assessment Results For Career Development Vernon G. Zunker, Debra S. Osborn
Useful in both career development and test and measurement courses, this practical book illustrates how to use assessment results to increase clients' self-awareness and help them make rational career choices. Readers will find detailed information on applying knowledge of test and measurements in clinical settings and using assessment results in a wide variety of counseling situations. Now thoroughly revised (approximately 30% of the material is new) with a new co-author (Debra S. Norris), new chapters, and increased emphasis on technology, the Fifth Edition deals even more effectively with current issues in career guidance.
