Voices From the Other Side: An Oral History of Terrorism Against Cuba

Keith Bolender

Voices From the Other Side: An Oral History of Terrorism Against Cuba Keith Bolender
Since the early 1960s, few other countries have endured more acts of terrorism against civilian targets than Cuba, and the US has had its hand in much of it. This book gives a voice to the victims.

Keith Bolender brings to bear the enormous impact that terrorism has had on Cuba's civilian population, with over 1,000 documented incidents resulting in more than 3,000 deaths and 2,000 injuries. Bolender allows the victims to articulate the atrocities the Cuban people have suffered - which largely originate from Cuban counter-revolutionaries based in the US, often with the active help of the CIA.

Voices From The Other Side includes first-person interviews with more than 75 Cuban citizens who have been victims of these terrorist acts, or have had family members or close friends die from the attacks. It is a unique resource for activists, journalists and students interested in Cuba's torrid relationship with the US.
